

Join our Cause on FaceBook

Facebook is a social utility that connects people with friends and others who work, play, study and live around them. People use Facebook to keep up with friends, upload an unlimited number of photos, share links and videos, and learn more about the people and organizations in which they interact.

Please joins us on Facebook.

Green Worker Cooperatives is powered by people's energy. Currently, we are on Day 33 of a campaign to raise \$285. While we do need financial donations to keep running, we also need volunteers and helping hands who can

- network a computer
- organize an event
- paint a wall
- present a seminar
- operate a phone bank
- run a time Bank

- and of course what ever skill you can do.

Join us by donating your time or money (\$1, \$5, \$25 or what ever you can afford) to support the change that Green Worker is bringing to the South Bronx residents, by firing their bosses and empowering themselves.
